Sentimental Journey: a kitsch gardening walk

Ania Bas

"I have noticed that I walk less during autumn and winter, not only because it is darker and colder, but mainly because it is so so so painfully grey! Join me for an early evening walk and on route create small gardens made out of artificial flowers. In this way we will preserve life for winter, but also actively shape the space around us." 60 to 90 minutes walk.

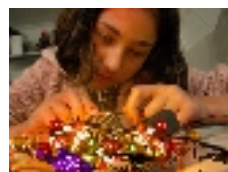

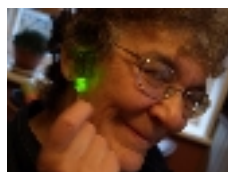

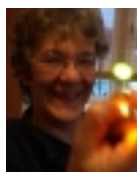

Workshop 30 October 6pm £4
